NEW BISHOPS

The House of Deputies is to Elect Five New Ones.

THE NOMINEES' NAMES

Substitute Clause Relative to Marriage Has Been Adopted at San Francisco.

A DIVISION INTO PROVINCES

San Francisco, Oct. 12.—The house of bishops has nominated missionary bishops to be elected by the house of deputies as follows:

District of Hankow, Rev. J. A. Ingle, now of Hankow.

District of the Philippines, Rev. C. H. Bruat, now at St. Stephens, Boston.

District of Olympia, Rev. Fred W. Knator, now of Dulague, Ia.

District of Porto Rico and adjacent islands, Rev. William Cabell Brown, now connected with the mission of Brazil.

District of North Dakota, Rev. Charles C. Piere, U. S. A.

The house of bishops adopted the eleventh and last amendment to the constitution.

Consideration of canon 37, relating to the disciplining of persons marrying again after being divorced, caused a protracted debate, at the close of which the following substitute was adopted: "No person divorced for cause arising after marriage and marrying again during the lifetime of the other party to the divorce, nor any person marrying a person so divorced, shall be admitted to baptism or confirmation or be permitted to receive the holy communion until the written approval of the bishop shall be given."

"Provided, that the prohibition shall not apply to the case of the innocent party to a divorce for the cause of adultery."

"And provided, also, that the sacrament shall in no case be refused to a penitent party in imminent danger of death."

It was decided to participate in the appointment of a committee of five bishops, five presbyters and five laymen to draw up and present to the next general convention of the church a canon on provinces, including a scheme for the division of the United States into provinces.

On the part of the bishops there were appointed on this committee the bishops of Fon-du-Lac, Texas, Vermont and Los Angeles.

WOMAN RELEASED.

JUDGE HUSBANDS RECOGNIZED IRENE CLEMONS TODAY.

The first order made by Judge L. D. Husbands since returning from Benton was this morning, when he released Irene Clemmons from the county jail on her own recognizance to answer at the December term of circuit court for complicity in the theft of \$750 from J. Frank Sanderson, of Mayfield.

She has a young child who is ill and the only way to save the child's life was to release the woman.

CAME TO BLOWS.

LAWYERS IN THE SCHLEY CASE HAVE A LIVELY TILT.

Washington, Oct. 12.—The liveliest session of the Schley case since it began was this morning when attorneys Lemley and Rayner, in a spat, came to blows. The government will conclude its evidence Monday, and Tuesday the defense begins.

TO ENTER ILLINOIS CONTESTS.

There will be a big delegation of local marksmen to the big tournament at Duquoin, Ill., next Wednesday and Thursday. They will be met at the station by a delegation of the crack shots of Louisville who will probably attend. The following are the shooters from Paducah: who will attend the tournament: Messrs. Moses and Ben Starr, George Robertson, Dr. Hansbro and H. C. Pronough and perhaps others.

Pianos enable girls to show their fingerings and their finger tips at the same time.

A DESTRUCTIVE FIRE

Mr. Chas. Rodfus Burned Out Last Night.

The Loss Will Amount to Three or Four Thousand Dollars.

Mr. Charles Rodfus new restaurant and confectionery on Broadway near Third was gutted by fire shortly after midnight this morning. Mr. Rodfus and family lived over the store and were aroused by a heavy volume of smoke pouring through the building. Mrs. Rodfus and child were hurried down the front stairs not having time to dress, and Mr. Rodfus, after leaving them at Mr. Harry Meyers, across the street, returned for \$75 in money he took up stairs with him upon closing the store. In coming down he fell and was painfully hurt.

The fire department responded quickly to the alarm and did good work, but could not save the contents of the house from ruin and destruction. The blaze is supposed to have originated from a cigar stump carelessly dropped by some customer, as there had been no fire since dinner yesterday.

The building, which was formerly occupied by Mr. R. C. Calissel, is owned by Mr. Steve Menard, of the county and was insured. Mr. Rodfus, who only recently opened up with everything entirely new, had a close call, with his family, from being burned in the building. If there had been no front stairway, escape would have been almost impossible. The new stairway was only recently built. Mr. Rodfus valued his furniture at about \$2,500, and had but \$1,500 insurance.

The damage to the building will amount to several hundred dollars. Government Observer Bornemann, whose office is nearby, lost two of his finest thermometers which were burned by the streams of water, or the firemen on the roof, where the instruments were placed under a shelter.

RAILROAD OFFICIALS.

CHIEF ENGINEER HARAHAN PASSED THROUGH THE CITY TODAY.

Trainmaster T. A. Banks arrived in the city from Princeton last night in the special coach of Chief Engineer Harahan. He returned to the Louisville division this morning and will go out on an inspection tour as far as Central City. Mr. Harahan and party went to Fulton and from there they will go north. Everything is running smoothly at Princeton and the trainmasters' offices have been completed and the change has already proven much more convenient to the officials and to the train service.

BOER CHIEF HANGED.

TWO BOER FARMERS ALSO EXECUTED—OCEIL RHODES ILL.

Middleburg, Cape Colony, Oct. 12.—Commandant Lotter, the Boer chief, was hanged yesterday by the British. Two Boer farmers who had twice joined the Boer forces were hanged at Vreburg.

London, Oct. 12.—Oceil Rhodes is critically ill of heart disease.

THE DOCKET FINISHED.

The docket for the coming term of circuit court was finished today, and everything will be in readiness for the court by the convening day, Monday a week. There are many cases that remained open, and the docket all told will amount to somewhere near one thousand cases. There are only about seventy suits filed since the last term, however, and the divorce and damage suits about balance.

ST. LOUIS TRAIN LATE.

Miss Mabel Riecke returned from St. Louis today. The train was delayed by a freight wreck between here and St. Louis, on the Carbondale branch, and had to go back to St. Louis and come in over another branch of the road. It was three hours and a half late as a result of the accident.

HAND HORRIBLY LACERATED.

Mr. Albert Wallace, an employee of the Paducah Coopers Co., of Mechanicsburg, got his hand caught in the planer this morning and frightfully lacerated. The fingers are very badly cut, and it was necessary to remove part of the bone in one. He lives in Mechanicsburg. Dr. Troutman dressed the injuries.

MARRIED AT METROPOLIS.

Kerry Slayden and Della Raines of Barlana, Ky., went to Metropolis yesterday and were married by Justice Thomas Liggett.

THE WEATHER.

Rain tonight except in the extreme western portion. Sunday fair weather and cooler.

IS AGAIN HONORED

Mr. George C. Thompson Re-Elected President of Kentucky Bankers.

A FINE RECOMMENDATION

He Had No Opposition Among the Delegates—Other Officers Elected.

THE DELEGATES RETURN HOME

Messrs. George C. Thompson and James C. Utterback, who went to Mammoth Cave to attend the State Bankers' Association, have returned home.

The meeting was most enjoyable, and Mr. Thompson was re-elected president unanimously.

Yesterday's Courier-Journal said: The report of the committee on nominations was unanimously received and adopted. It named President Thompson and Secretary Bridges and Treasurer Hays for re-election, but presented an entire new list of vice presidents and members of the executive committee.

There was no contention over the election of a president, nobody being a candidate, and the office being left by unanimous consent of the Louisville delegates to the state. President Thompson made a capable and patient chairman, and is deeply interested in the association's work.

For the first district, Mr. H. C. Rodes, answering for Mr. Utterback of Paducah, said the corn crop was poor, but this had been made up for by the excellence of the tobacco, wheat and other products. All the banks reported large deposits and abundance of good paper. "And the chief city of the district is on a boom," smilingly interjected President Thompson.

At the suggestion of President Thompson the salary of Secretary Bridges was raised to \$750 a year. Mr. Thompson explained that it was not at the request of Mr. Bridges, but because he deserved it, and it was desirable to enable him to extend the membership of the association by personal visitation. He paid a tribute to Mr. Bridges' work, in which the whole association joined.

The adjournment was made "without day" about half past one o'clock. The executive committee will select the next place of meeting, Hopkinsville having already extended an invitation. There is a sentiment, however, strongly in favor of Louisville.

Other officers elected were: Vice presidents—First district, H. S. Hale, of Mayfield; second district, S. K. Sneed, of Henderson; third district, H. C. Trigg, of Glasgow; fourth district, J. M. Knott, of Lebanon; fifth district, E. C. Bohne, of Louisville; sixth district, J. E. Bohannon, of Falmouth; seventh district, A. S. Winston, of Lexington; eighth district, J. C. Caldwell, of Danville; ninth district, J. F. Barbour, of Mayfield; tenth district, J. G. Winn, of Mt. Sterling; eleventh district, R. M. Jackson, of London. Secretary—Isiah Bridges, Louisville. Treasurer—E. W. Hays, Louisville. Executive committee for three years—H. V. Sanders of Louisville, G. A. Williams of Owensboro and P. L. McClary of Paris.

FINAL REPORT.

OF THE CENSUS BUREAU HAS BEEN ISSUED.

Washington, Oct. 12.—The final census report on the population of the United States by sex, nativity and color has been issued. It shows that the males number 39,059,342, or 51.2 per cent. of the total population in 1900. The increase of 13,233,631 in total population since 1890 is made up of 6,744,179 males and 6,489,452 females, an increase of 30.9 of males and 21.13 females. The foreign born element have increased only 12.4 per cent. and the native born population 22.6 per cent. since 1890. As to color and race the population in 1900 comprises 66,990,802 white persons and 9,312,585 colored persons of negro descent. The colored element as a whole shows an increase of 17.6 per cent. since 1890.

GOES TO NEW YORK.

Madame Vaughan, the dermatologist, will remove to New York the latter part of the month to reside. She has worked up a large business here and her many patrons will regret to learn of her intended departure. She came originally from New York and studied her profession partially there afterward taking a course in the art in Chicago. She will probably sell out her business.

—Mr. Ben Sanders, the son of Mr. H. Sanders, of the Edens Hill section, is very low at his home of typhoid fever.

MEN FROM BOURBON.

A Special Venire Brought to Georgetown This Morning.

Georgetown, Oct. 12.—A special venire of 100 citizens of Bourbon county arrived this morning and it is thought the jury will be selected and the Caleb Powers case fully opened by this afternoon.

Last evening ten men were accepted by the commonwealth as jurors. They are, however, subject to peremptory challenge by the defense. Judge Cantrill ordered mounted sheriffs to go over into Bourbon county and bring the special venire of 100 men in court today. Yesterday the jury box was filled again and again from a list of Scott county men drawn from the jury wheel and when the list was finally exhausted there were eleven men in the jury box, ten of whom had been accepted finally by the prosecution and all of whom had been accepted by the defense subject to peremptory challenge. One man had been accepted only conditionally by

both sides.

The partial panel now stands as follows: E. E. Gayle, Joseph Gardner, Att. Perry, Eugene Marshall, B. S. Calvert, J. D. Lancaster, Andrew Gribble, J. D. Vallandigham, Tom Jones, George Mulberry and John C. Breckinridge Fitemaster.

The commonwealth has used two of its five peremptory challenges and the defense has fifteen which it has not yet begun to use.

Not before Tuesday will the submission of evidence begin, if by that time. No evening session could be held yesterday because the bringing in of the 100 Bourbon county men necessitated delay, but court will probably run day and night from now on till the finish.

The prospective jurors now in the box are mostly countrymen from distant precincts in Scott and Bourbon counties.

NEWS OF THE BUSINESS WORLD

Clearings the past week, \$349,538. Same time last year, \$438,037. Increase, \$111,451.

The bank clearings for the week reflect great activity in trade. The increase is 25 per cent over last year's record. Business at the banks has been good with the demand for money normal.

The wholesale houses are having continued good trade with fair collections. Some lines report a little dullness occasioned by the weather of the past week but on a whole the volume is above last year's. The whiskey houses especially are having good bookings of orders and shipments. A visit the past week to the Second street houses showed the stocks on hand very low, the goods going out as fast as they are made up.

The warm weather has had a bad effect on the retail trade this week. A cool spell will bring great activity, however.

The Sutherland Medicine Co. reports a continuance of their remarkably heavy shipments of Pine Tar Honey this month, the goods going to the more important wholesale centers of the country.

The canning factory is running, making up tomatoes yet. The crop has not all been gathered, and the hopes are that a frost will not come before it is all gotten in.

The Paducah and Cairo railroad will be organized in the next few days. Some of the officers will probably be Mr. E. W. Smith of the Smith & Scott Tobacco Co., president; Mr. S. T. Payne, recently of Ogden, but now a resident of Paducah, vice president.

NEW ROUTES.

Petitions Signed For Rural Delivery in the County.

There Are to Be Three Routes in All—Authority Expected at Once.

The petitions for two additional rural routes in McCracken county have been signed and will be forwarded to Washington by Postmaster Fisher at once.

The proposed routes are: From Paducah to the Noble farm, thence on the Blandville road to Potter's store, crossing to Lone Oak on the Lovelaceville road to Massac, then to St. John's, and back on the Mayfield road to Paducah.

The other one is: Out the fair ground road to Blizard's Pond, thence to Florence Station, and to Hard Money, from there to Oaks and then back the Clark's River road to Paducah.

The roads will be authorized by the departments and the carriers appointed as soon thereafter as possible. One route has already been established in the county.

NO POLICE COURT.

There was no session of the police court today, as there were no arrests last night and no cases for trial.

ROBBERS FOILED.

Robbed the Post Office at Harrodsburg Last Night.

They Attempted to Rob a Bank—Left a Trail of Blood.

Harrodsburg, Ky., Oct. 12.—A daring attempt was made at an early hour this morning to rob the Mercor National bank, and was only frustrated after an exchange of fifty shots between two police and the robbers, who numbered three.

The attempt was discovered about 1 o'clock and created great excitement and at daybreak it was found that they had robbed the postoffice of about fifty dollars in stamps and attempted to blow the safe. The robbers all escaped, but left a trail of blood behind.

THE GOODS SOLD TODAY.

J. P. Holt, the assignee of Mrs. W. B. Hamilton, the milliner, reported the sales today, and filed a bill of the receipts this morning with the county clerk. The total amount the goods brought was \$89, and the assignee was ordered to pay the taxes and relieve all other debts possible with the receipts of the sale.

One of the main things to be considered is the letting of the contract for the new Masonic Temple at Louisville.

REV. PERRYMAN LECTURES ON "JONAH"—OTHER ANNOUNCEMENTS.

Rev. George W. Perryman, pastor of the First Baptist church, will deliver a lecture to the men at the Y. M. C. A. tomorrow afternoon entitled "Jonah" and the attendance will be large. This will be the first of a regular series of lectures to be delivered every Sunday afternoon and they will meet with the success formerly enjoyed.

Mr. Howard Warden, the phonograph dealer, has offered his services and will give a sacred concert with one of his big machines. The concert will be given in the gymnasium and also will the lecture be delivered there.

Mr. E. O. Reed, a brother of Rev. J. C. Reid, will have charge of the boys' meeting at 2 o'clock in the association parlors.

It has not been decided when a new board meeting will be held but the directors will probably call a meeting next week and consider the subjects previously mentioned.

ADJUDGED INSANE.

"SAM RYAN" TO BE TAKEN TO THE HOPKINSVILLE ASYLUM.

Mr. Sam Lampman, better known as "Billy" Lampman, was tried before Judge Emery this morning and adjudged a lunatic. He has been in failing health for some time and this is the cause of the insanity. He is a veteran comedian and went under the name of "Sam Ryan" while on the stage. He was a member of the Martin-Golden Co. and was in his time one of the most famous comedians on the stage. He has played with the best in the country but had been retired from the stage for many years. Attorney Dave Cross was appointed a committee to take charge of him and he will be taken to Hopkinsville this afternoon at 5 o'clock.

DEEDS.

Mary B. Rogers and others, he is to the estate of the late Mrs. Paul P. Nunn, have transferred their interest in the said estate to Ella Farley.

HEARD FROM AT LAST

Frank Younker, Who Disappeared, is in Dallas, Texas.

He Left Paducah a Year Ago, and Had Never Since Been Heard From.

A year ago, lacking three days, Frank Younker, a well known young man of the St. John's section of the county, came to Paducah and leaving his team at Potter's wagon yard disappeared. His relatives in a few days became alarmed at his prolonged absence, and came to the city to search for him. His team was found but no trace of him was ever discovered. He was to have been married in a few weeks to a young lady of that section, and no explanation was left as to his strange conduct.

Yesterday his relatives who had since heard not a word from him and had fully decided that he was dead received a letter from him and learned that he is well in Dallas, Tex. He went there from here, and has been quite successful. He did not give any reason for his strange disappearance a year ago, and his family suppose he did it simply in order to get away and do as he pleased without interference from his people.

The young man's friends will be greatly pleased to learn that he did not meet with foul play as was for a long time suspected.

SHOWER OF WORMS.

MANY THOUSANDS FOUND IN THE STREET THIS MORNING.

Residents of South Fourth street were amazed this morning to find all over the street beyond Norton, thousands of angle worms. They were so thick that a person could not put a foot down without mashing hundreds of them. It is supposed that they came down in the rain, as there is no evidence of their coming from any other place.

DECISION NOT RENDERED.

The case against Henry Ross, who is employed by Gardner Bros. as a collector, for taking away furniture from the house of Ernest Henderson, colored, without the support of the law, was tried in Justice Hook's court this morning, but the decision will not be rendered before Monday, as the attorneys for the defense have authority to read which they say will acquit the defendant.

LICENSED TO MARRY.

Mr. Chas. Williams, aged 54, the well known cabinet maker employed at the furniture factory, and Mrs. Alice V. Ireland, aged 53, were licensed to wed this morning.

SOON TO ORGANIZE

The Paducah and Cairo Railroad is a Sure Go.

CAPITAL STOCK \$700,000

Mr. E. W. Smith Will Be President and Mr. S. T. Payne Vice President.

TO CAIRO VIA WICKLIFFE

Within the next few days the "Cairo and Paducah Railroad" will be organized in Paducah with a capital stock of \$700,000.

Mr. E. W. Smith, the well known tobacco manufacturer, will be president, and Mr. S. T. Payne, until recently of Ogden's Landing, but now of Paducah, will be vice president.

The survey of the proposed route has been quietly pushed, and the company will organize with a thorough understanding of what is to be done, and with the means to do it.

The new road will go to Wickliffe, and there connect with the Illinois Central for Cairo.

There is much preliminary work to be done, such as floating the bonds, etc., and the plans for beginning work are consequently indefinite.

BIG RAINFALL.

IT WAS OVER THREE INCHES UP TO 8 O'CLOCK THIS MORNING.

The rainfall up to 8 o'clock this morning was three inches, and there was still more to come. River men are much encouraged and hope for a good boating stage.

The rain began falling early last night and continued steadily until this morning.

A FLOODED LOCALITY.

The culvert at the Eleventh and Broadway crossing is in a very bad condition and the residents and business men of that portion of the city are complaining of its condition. The piping is alleged to be too small and apparently it is as the water will not run through the pipe and flooded the street to the edges of the houses and to the street car tracks. The water had backed up as far as a quarter of a square and the patrons of the several business houses on the South side of the street could not get in or out until the water had gone down. The thing occurs every time there is a heavy rain and is a source of much trouble.

Mean souls, like mean pictures, are often found in fine looking frames.

A DAILY THOUGHT.
"He who greatly admires has the power of great scorn. He who greatly loves can feel infinite contempt."—Bishop J. L. Spalding.

Next Tuesday is supplementary registration day, and should not be forgotten. It is the last chance those who desire to vote will have to register.

Mr. Thomas W. Lawson, the Boston millionaire, has given \$5,000 to Lexington charities. Mr. Lawson's generosity is to be commended. He comes of a big hearted class and he will always be popular in Kentucky.

The State Bankers' Association held Mr. George C. Thompson, of Paducah, a high compliment in reelecting him president of the association. A better qualified man and a harder worker could not have been found. The Louisville Times of yesterday contained a fine picture of President Thompson.

The Atlanta Journal, Democratic, says: "In expressing in a delicate manner his sorrow over the death of President McKinley, Aguinaldo has shown himself to be more fitted for American citizenship than are some native born Americans." Which Congressman Wheeler and a few others might take to themselves.

The Democratic nominees of McCracken county arranged a list of speaking which conflict with Republican dates that had already been announced, and then invited the Republicans to participate. The latter were of course unable to break their own engagements, and now the Democrats with their usual consistency, are claiming that the Republicans are afraid to meet them in joint debate. It will take a bigger and brainier lot of men than they to frighten the Republicans.

The National Association of funeral directors was thrown into confusion at Charleston, S. C., by the mayor pro tem of the city who had been invited to address the visitors. Instead of a speech along the lines they anticipated he made a strong argument in favor of cremation, and against funerals, denouncing embalming as a transgression against nature, which decrees that bodies shall decay. If everybody thought like the mayor, it wouldn't be long until funeral directors would quit the business.

NEWS IN GRAVES

The farmers are now all busy making sorghum. The mills are all running on full time and no time is being lost while the beautiful weather lasts. The crop is large and a fine quality is being made.

The people out in the Farmington section have been put to a great inconvenience this summer on account of water. During the hot dry weather wagons hauled water from here to that place almost every night.

There is an epidemic of typhoid fever at Farmington a small village, nine miles from here. There have already been several deaths and now fifteen new cases. The people are very much alarmed over the death rate.

Fyler and others on an agreement of indemnity growing out of the old Fulton bank transactions, was finally settled at Clinton in which the estate recovers in all, \$5,000, and its costs in all the courts. Berlin, Oct. 12.—C. V. Haslet, cashier of the Deposit bank of this city has organized a new bank at Clinton. The capital will be \$30,000 and it has all been subscribed. There will be about thirty stockholders, \$1000 being the largest share. Several Berlin capitalists are interested. The new bank will be ready for business about the first of January, 1902. Mr. Haslet has resigned his position here to take effect the first of the year and will probably be at the head of the new Clinton concern.

OIL IN CALDWELL.

Princeton, Ky., Oct. 12.—At last, after a period of fifteen or twenty years have elapsed since the people commenced to talk of the oil prospects in this county, actual operations have begun. A well is being sunk on the farm of W. F. O'Hara, about three miles from this city, by the

South Florida Oil company. The company is well equipped to carry out the work, which began Monday. Their intention is to go at least 4,000 feet if they do not find oil nearer the surface. The company has leases in the county to the amount of 2,000 acres giving them plenty of territory on which to work for a while.

DRAMATIC NOTES.

"Railroad Jack" is somewhat "on the hog."

Mrs. LeMoine promises to have the house of the season. The advance sales are almost unprecedented.

The first minstrel that comes along will demonstrate to Manager English what it means to pack the house.

The sale of seats at Louisville is progressing for the grand opera at the Auditorium October 21 and 22. The first night "Carmen," with Calve, will be given; the second night Emma Eames will sing in "Lohengrin." At the matinee Sembrich will be the central attraction and "La Traviata" the opera.

An incident not a part of the play occurred at the Kentucky one afternoon this week when there was a matinee. The play was "Railroad Jack," and when the lion was produced on the stage and made a roar of two, several society girls on the front row, made a break for the door, and one had the misfortune to fall before she had gotten half way to the rear.

A funny new bit of pantomime in this season's "Superba," is seen when Superba changes Pierrot into a restless man. He gets so uncomfortable he can't even sit down. He gets in a drench and catches cold, and he sneezes so hard that everything breaks that he goes near. He never tries to lie down on a folding bed, but it turns into a boat. He becomes seasick, so sick in fact that he resolves to commit suicide. He inhales gas from the chandelier, but the neighbors discovering the escape of gas strike a match, a terrific explosion occurs and flames shoot out from Pierrot's mouth like a miniature volcano, and he is soon enveloped in a fiery furnace from which he with difficulty extricates himself.

Richard Mansfield opened the Garrick Theatre at Philadelphia Monday night with the first production of his new play, "Beaucaire," the dramatization of Booth Tarkington's fascinating novel. Never has Mansfield been provided with a more fitting play. The arrangers of "Beaucaire" even included opportunities for the display of all the Mansfield mannerisms.

With some changes from the text of the book the stage story of the nobleman disguised as a barber, who obtains entrance into the highest English circles, is filled with peculiarly humorous episodes. Beaucaire is Mansfield through and through. In this new character there can be seen the humor and dignity of "Brummel" and the romance of "Cyrano."

The theatre was packed, and after each of the four acts Mansfield was repeatedly called before the curtain, and at the end was compelled to make a speech. Every one voted the play a success.

Miss Effie Shannon and Mr. Herbert Kelsey, who are to be seen here in "Her Lord and Master" are very popular everywhere. Just previous to one of the performances at St. Louis, the other night, Miss Effie Shannon told of a rather peculiar experience which she had during the Philadelphia engagement of "The Moth and the Flame."

"We needed a number of good-looking young people," said Miss Shannon, "for guests in the first and second acts, and we had secured nearly the required number. Just previous to the first rehearsal four young misses, gotten up in the very smartest attire, applied at the theatre for the position. Of course we were delighted to make such a lucky catch, and they were immediately engaged. They went through the rehearsal swimmingly, but on the day previous to the public production only one of the quartet materialized. Mr. Kelsey was much put out, and spoke with impressive severity in reference to the delinquents, whereupon their little friend and spokesman confessed that they were all four pupils at a boarding school, and had applied for a "lark." We were, of course, much perplexed and in a quandary as to what to do, but the little spokeswoman was not lacking in interest and enthusiasm, and suggested that we write to the principal and ask for the girls, as a favor, and that a chaperon be provided to accompany them to and from the theatre. This was done, and they were all with us through the whole engagement at Philadelphia. When we bade them good-bye their little friend came to me and said, 'Miss Shannon, I shall never believe, in future, that the people of the theatre are anything but ladies and gentlemen,' and a short time after that I received a long letter from her, stating that she, herself, intended going on the stage to make a great deal of money. I am sure she has my heartiest good wishes."

THE SOCIAL PROSPECT.

The social prospect is growing brighter day by day, not that Society has really embarked on its good yacht "Winter Pleasure" as yet, but things are being gotten under way for the voyage, and there is prospect of smooth sailing when the wedding clouds roll by. Just now the social atmosphere is a trifle heavy with these, and the most experienced mariner can hardly predict anything certain but the uncertain.

The evenings of the week have been enlivened by a German, and the various plays at "The Kentucky," which is giving Society somewhere to go, and to wear its good clothes. The clubs are beginning to materialize and the day time has been filled by various meetings. Some of the literary clubs were in full blast this week, but the card clubs are merely planning as yet.

DELPHIC CLUB.

The Delphic Club held the first meeting for the season on Tuesday morning with Mrs. Mildred Davis. It was an especially pleasant meeting and was well attended. The study of "German Literature," which will be the winter's work, was begun. The program for the year is splendidly arranged, and was the work of a Chicago program specialist. The program committee, Mrs. A. R. Meyers, Mrs. Louis M. Rieke, Mrs. Frank Parham and Mrs. J. C. Flournoy, deserve special credit for their able work. "Earliest German Myths and Legends" was the subject for Tuesday's consideration. Quotations were given from German mythology by the club. Mrs. W. E. Cave read an excellent paper on "The Nibelungen Lied," and Mrs. Mildred Davis told very interestingly of "The Epic of Gudrun," making a very delightful morning. It was decided to answer the roll-call at each meeting with a German legend, or a quotation from some prominent German author.

A portion of the morning was given over to a short business meeting. Mrs. Robert Becker Phillips was elected president of the club, vice Mrs. Mildred Davis, resigned. The other officers are: Vice president, Mrs. W. E. Cave; secretary, and treasurer, Mrs. Louis M. Rieke.

Two new members were added, Mrs. Bradford Clark and Miss Kathleen Whitefield. The club numbers 23, and the members are: Mesdames B. Phillips, W. E. Cave, L. M. Rieke, A. R. Meyers, Mildred Davis, Frank Parham, J. C. Flournoy, Cook Husbands, Samuel Watson, Luke Russell, J. A. Rudy, George Wallace, George Flournoy, Frank Scott, John Campbell, Lizzie Austin, J. K. Ferguson, Richard Baker, Bradford Clark, Mesdames Mattie Fowler, Lucy Robison, Martha Davis, Kathleen Whitefield.

COTILLION CLUB DANCE.

The Cotillion club gave a delightful dance at the Palmer house on Thursday evening. It was the first dance of the season and was graced by quite a representative crowd. The guests were: Mesdames and Messdames Cook Husbands, O. L. Gregory, James P. Smith, William MacLellan, George Flournoy, Harris Rankin, Dr. and Mrs. W. B. McPherson, Dr. and Mrs. J. V. Voris, Mrs. W. A. Gardner, Miss Suzanne Humble, of Lebanon; Miss Nannie Gregg, of Cincinnati; Mesdames Martha Davis, Martha Leech, Myrtle Decker, Mary Boswell, Anne Boswell, Jane Rivers, Caroline Sowell, Laura Sanders, Minnie Terrell, Hattie Terrell, Lillian Rudy, Emma Reed; Messrs Maurice Nash, Frank Rieke, Louis Rieke, Jr., Roy Culley, Stewart Sinnott, Frank Boone, Evert Thompson, Horace Hawkins, Hughes McKnight, Dow Wilcox, Will Minnich, John Sherwin, Edwin Wilson, Edson Hart, Charles Boyd.

MAGAZINE CLUB MEETING.

The Magazine club was entertained by Mrs. Edward L. Atkins of North Sixth street on Thursday afternoon. It was the first meeting of the season, and was a most charming function. Mrs. B. E. Reed was elected president.

dent for the coming year, and Mrs. Samuel T. Hubbard, secretary. Mrs. Thomas Boswell, Mrs. Bradford Clark, Mrs. Eli Boone, and Mrs. Charles Moccot were received as new members. Several of the charter members who had dropped out last year were restored and included Mrs. Mildred Davis, Mrs. James Rudy, Mrs. Robert Phillips and Miss Mattie Fowler. The club's membership is 25, including the president. The attendance was quite large, and there were several visitors present. The reports were exceedingly interesting and were from Mrs. W. A. Gardner and Mrs. John Campbell, on "Harper's Magazine," and Mrs. B. E. Reed and Mrs. Richard Baker from the Review of Reviews. Elaborate and delightful refreshments were served by the hostess and the occasion was most enjoyable in every way. The next meeting will be with Miss Carrie Robison of North Ninth street.

PADUCAHANS AT THE VEILED PROPHET.

Quite a number of prominent Paducahans were in St. Louis this week and witnessed the great Veiled Prophet festivities. Among those in attendance were: Mr. and Mrs. F. M. Fisher, Mr. and Mrs. Eli Boone, Mr. and Mrs. O. L. Gregory, Mr. and Mrs. T. C. Leech, Mr. and Mrs. John Little, Mrs. Victor Voris, Mrs. P. H. Stewart, Mrs. Thomas Baker, Mrs. Jacob Wallerstein, Mrs. and Mrs. Charles Graham, Mrs. Sol Dreyfus, Mrs. Harry Williamson, Mrs. John Williamson, Mrs. Dickie, Mrs. Will Epstein, Mrs. R. G. Terrell, Mrs. Alonzo B. Meyers, Misses Elizabeth Sinnott, May Terrell, Mabel Rieke, Gerald Sanders, Kate Sanders, Sophie Burnett, Flora Dickie, Lydia Woolfolk, Mae Paxton, Messrs. Edwin J. Paxton, Cecil Lacy, L. E. Ogilvie, Rabb Noble.

CINQUE CLUB DISBANES.

The members of the Young Ladies' Cinque club met at the Palmer house on Friday afternoon to consider the question of reorganizing for the winter. It was decided to disband, if not finally at least until later in the winter when affairs had adjusted themselves, and there was more leisure at hand. Some of the members anticipate being away the early part of the winter and so thought it wiser not to reorganize. Whether the persistent and multitudinous wedding rumors have anything to do with this decision can be more safely asserted later, but one would not be surprised. This club is composed of some of the most attractive and popular society girls and young matrons and gave some very well entertained last winter. It will be greatly missed in the social life of the town. Miss Elizabeth Sinnott is the charming president.

In the death of Miss Mary Halloran in the summer the club lost one of its leading spirits, and they all feel that her place can never be filled.

A ST. LOUIS WEDDING.

A marriage that came as a decided surprise to Paducah society was that of Miss Frances C. Higgins of St. Louis to Dr. Ralph Niedringhaus of Granite City, Ill., on Thursday afternoon. Miss Higgins is a very beautiful and popular visitor in Paducah and has made many warm friends here during her several visits to the Misses Paxton. She is a Kentucky girl, formerly of Louisville, and the family has been living in St. Louis only of recent years. She is the daughter of Frank S. Higgins of the William Higgins Leather company and is a most attractive young lady.

Dr. Niedringhaus is a rising young professional man, of a prominent St. Louis family, but now of Granite City, Ill.

The marriage is the outcome of a love affair of some years' standing, that was at one time broken off on account of a difference in religious beliefs. It was very quietly solemnized at the parochial residence of the Rev. Father Gilligan of the new cathedral, at Newstead and Maryland avenues. Only the members of the two families witnessed the ceremony.

Mrs. Niedringhaus' host of friends here will give her most heartfelt good wishes.

WEDDING OF MISS JUDGE

AND MR. YEISER.

The marriage of Miss Mamie Judge and Mr. Joseph Yeiser was solemnized on Wednesday morning at 10 o'clock at the priest's home of St. Francis de Sales church. Only a few friends and relatives witnessed the impressive ceremony which united two popular young people, and was performed by the Rev. Father Jansen.

Miss Judge is a very lovable and attractive young woman and looked especially well in her wedding costume.

Mrs. Yeiser is a member of the Yeiser-McElrath drug company, and is a rising young business man. He is the eldest son of Dr. D. A. Yeiser.

Both Mr. and Mrs. Yeiser have many friends in the city to give them good wishes. They left at noon for Buffalo and on their return will reside on South Third street.

MISSIONARY TEA.

The Missionary tea of Grace Episcopal church met with Mrs. B. E. Reed on Friday afternoon. It was

the first meeting since the summer adjournment and was a most pleasant occasion. Mrs. Reed gave an interesting resume of the progress of missions. Mrs. Palmer told of Bishop Fauston's work in Idaho. Miss Emily Morrow's table paper on "The Recent General Convention in San Francisco," where the offering of the Woman's Auxiliaries was \$104,209, was much enjoyed. Mrs. W. H. Gregg of Cincinnati, who was a guest of the occasion gave a most interesting account of Mission work in that city.

Light refreshments were served emphasizing the social features of these meetings.

MR. LOWRY GANT ENTERTAINS

A very delightful banquet was given at the Palmer House on Friday evening by Mr. Lowry Gant as a farewell to his friends prior to his departure for Mexico to reside. Covers were laid for twelve and the evening's pleasure was marred only by the prospect of the popular young host's departure. Mr. Gant came to Paducah from Hopkinsville a year or more ago, and has been connected with the tobacco firm of W. B. Kennedy and Co. He has made many warm friends here and is a popular favorite in the younger society set, as well as in business circles. Many toasts of regrets and good wishes were given at the banquet appropriate to Mr. Gant's departure and future welfare in his new home.

Y. M. C. A. BANQUET.

The annual banquet of the Young Men's Christian Association on Monday evening was a pleasant social occasion of the week. It was held in the parlors of the association and the rooms were artistically decorated with flowers and plants in profusion. The banquet table was in the back parlor and was a triumph of artistic beauty.

Delightful refreshments were served by the ladies of the First Presbyterian church who are famous for their success in all undertakings. Varied toasts were given and ably responded to, and some delightful music was enjoyed. Quite a number of guests were present and the evening was most enjoyable.

SANS SOUCI CLUB REORGANIZES

The Sans Souci club met with Mrs. Will Gilbert of North Eighth street on Friday morning, and reorganized for the winter. This club is not strictly a card club, each member entertains as best suits her fancy, "as you like it fashion," and some very charming entertainments were given last winter. Mrs. Will Gilbert was re-elected president, and four new members were added to the club, namely: Misses Anna Boswell, Mabel Rieke, Gertrude Asher, and Irene Scott. The club membership is now seventeen.

The first entertainment of the club will be the first week of November, and Mrs. Will Gilbert will be the hostess.

A NEW YORK WEDDING.

The marriage of Miss Frances Clark to Mr. Richard Anderson Craig of New York City, announced some time since to take place, will be solemnized at St. Bartholomew's church, New York City, by the rector, Rev. David Greer, on Wednesday next. It will be an extremely quiet affair. The wedding is of especial interest to Paducahans in that this is Miss Clark's home and she has many friends and relatives here, although she has been living in New York for several years, while Mr. Craig, through his father and mother who were former residents of Paducah, is identified with its interests.

TUESDAY EVENING'S MUSICAL.

A delightful musical was given in the lecture room of the First Christian church on Tuesday evening. The program was exceedingly attractive, and gave pleasure to all present. The best musical talent of the city took part and made fame for themselves over again. The musical coterie of the city has recently been enriched by the coming of Prof. Dodd of New York, and Miss Nancy DuVal of Cincinnati, to reside. The playing of Prof. Dodd on the piano and Miss DuVal on the violin were especially enjoyed. Miss Faith Langstaff as a vocalist was another charming feature of the evening's pleasure.

DR. HOWELL HONORED.

The last issue of "The Bulletin," issued by the University of Tennessee, contains the announcement of the appointment of Dr. L. B. Howell of this city to the chair of Special Pathology in that famous university. Dr. Howell has held the appointment now for three years. The duties of the office require his attendance only three or four times a year. The first time of the year being some time after Christmas. It is an honor worthily bestowed and the successive appointments are the best guarantee of the success with which Dr. Howell has filled the position hitherto.

A BEAUTIFUL OC.

TOBER WEDDING.

The date for the marriage of Miss Edna Wallerstein to Mr. David A. Levy of St. Louis has been set for October 23. It will take place at Temple Israel at 8:30 p. m., and will be a very beautiful and impressive service. Rabbi Alexander of the city and Rabbi Fineschreiber of Davenport, Ia., will perform the ceremony. Miss May Wallerstein, sister of the bride, will be maid of honor, and Mr. James Greenbaum of the city the best man. The ushers have been selected but are not yet announced.

After the ceremony there will be a reception at the Wallerstein home on North Seventh street that will be quite a delightful function.

Miss Wallerstein is the eldest daughter of Mr. and Mrs. Herman Wallerstein and is a most popular and attractive young lady with a wide circle of friends.

Mr. Levy is a rising young business man of St. Louis. The engagement was announced some months ago.

The city invitations will be issued next week and the occasion will be quite a society event. There will doubtless be a number of out-of-town guests present for the wedding.

TO RETURN TO PADUCAH.

It is said that Mr. Given Campbell of St. Louis, who has bought the Noble property in Arcadia, will shortly erect a handsome home there and bring his family here to live. Paducah was Mr. Campbell's early home and through all his following of the strenuous life as a successful St. Louis lawyer he has kept his love for it, and has often expressed his desire and intention to live again in his boyhood home and among his own people. Should they come he and his family will be delightful acquisitions to Paducah's social life.

'T WAS EVER THUS.

There is great probability that the pleasure yacht Brook Hill will be sold within the next few days to a party from Baton Rouge, La. This is sad news for society, and the girls will not contemplate next summer with pleasure unalloyed without this staunch friend at their beck and call.

THE COMING WEEK.

The Delphic club will meet on Tuesday morning with Mrs. Mildred Davis.

The Musical club will meet on Tuesday evening with Miss Virginia Leach.

SECOND ONLY TO

HUMAN HEARTS.

"The Village Parson" will be strongly in evidence during the coming engagement at the Kentucky Monday night. It is a drama constructed on possibilities, these being linked with the fact that each part seems to have been written for the artist who is engaged to play it, so carefully has the company been selected. The play is considered one of the most powerful and interesting of the present day. It may be second only to that beautiful drama "Human Hearts," but general belief has been expressed that it should be placed first. The interest gradually increases, as the piece proceeds and there is not a flagging moment or a weak character. The Village Parson requires an elaborate production, and in this the management has strongly been cognizant to provide the entire scenery for each act.

CONFEDERATE REUNION

NO ARGUMENT NEEDED.

EVERY SUFFERER FROM CATARRH KNOWS THAT SALVES, LOTIONS, WASHES, SPRAYS AND DOUCHES DO NOT CURE.

Powders, lotions, salves, sprays and inhalers cannot really cure catarrh, because this disease is a blood disease, and local applications, if they accomplish anything at all, simply give transient relief.

The catarrhal poison is in the blood and the mucous membrane of the nose, throat and trachea tries to relieve the system by secreting large quantities of mucus, the discharge sometimes closing up the nostrils, dropping into the throat, causing deafness by closing the Eustachian tubes, and after a time causing catarrh of stomach or serious throat and lung troubles.

A remedy to really cure catarrh must be an internal remedy which will cleanse the blood from catarrhal poison and remove the fever and congestion from the mucous membrane. The best and most modern remedies for this purpose are antiseptic scientifically known as Eucalyptol, Guaiacol, Sanguinaria and Hydrastin, and while each of these have been successfully used separately, yet it has been difficult to get them all combined in one palatable, convenient and efficient form.

The manufacturers of the new catarrh cure, Stuart's Catarrh Tablets, have succeeded admirably in accomplishing this result. They are large, pleasant tasting lozenges, to be dissolved in the mouth, thus reaching every part of the mucous membrane of the throat, and finally the stomach.

Unlike many catarrh remedies, Stuart's Catarrh Tablets contain no cocaine, opiate or any injurious drug whatever, and are equally beneficial for little children and adults.

Mr. C. R. Rembrandt of Rochester, N. Y., says: "I know of few people who have suffered as much as I from catarrh of the head, throat and stomach. I used spray, inhalers and powders for months at a time, with only slight relief, and had no hope of cure. I had not the means to make a change of climate, which seemed my only chance of cure.

"Last spring I read an account of some remarkable cures made by Stuart's Catarrh Tablets, and promptly bought a fifty-cent box from my druggist and obtained such positive benefit from that one package that I continued to use them daily, until I now consider myself entirely free from the disgusting annoyance of catarrh; my head is clear, my digestion all that I could ask and my hearing, which had begun to fail as a result of the catarrh, has greatly improved, until I feel I can hear as well as ever. They are a household necessity in my family."

Stuart's Catarrh Tablets are sold by druggists at 50 cents for complete treatment, and for convenience, safety and prompt results, they are undoubtedly the long-looked-for catarrh cure.

J. T. DONOVAN, Agent.

ed to him a letter that he wrote to T. J. Lee, then owner of the river coal business at Paducah, on November 1, 1872, while Mr. Massengale was a clerk of the steamer West Wind. SECOND ONLY TO

HUMAN HEARTS.

"The Village Parson" will be strongly in evidence during the coming engagement at the Kentucky Monday night. It is a drama constructed on possibilities, these being linked with the fact that each part seems to have been written for the artist who is engaged to play it, so carefully has the company been selected. The play is considered one of the most powerful and interesting of the present day. It may be second only to that beautiful drama "Human Hearts," but general belief has been expressed that it should be placed first. The interest gradually increases, as the piece proceeds and there is not a flagging moment or a weak character. The Village Parson requires an elaborate production, and in this the management has strongly been cognizant to provide the entire scenery for each act.
